

# TRADITION THAT TRANSCENDS BORDERS

The Issei Kitchen is proud to curate a menu that celebrates the intersection of imported Japanese elements and locally sourced produce and proteins.

**Lancaster County Eggs**  
Every ajitama is sourced from our friends at local farms who are devoted to truly pasture-raised practices. The bright orange yolk is proof of the overall health and happiness of the hens.

**The Field's Edge Research Farm**  
Alex and the homies at The Field's Edge are committed to delivering our vegetables at the peak of freshness. Together we are delighted to showcase the seasonal bounty of Lancaster

**Mirror Image Farm**  
Experience the unmatched quality of our ramen broth, made from heritage pork bones that are carefully selected from local farms that uphold time-honored breeding practices. We honor their legacy in every bowl.

**IZAKAYA**  
**COCKTAILS + SAKE + VINYLs**  
**OPEN AT 6PM TUES-SAT**
